“ *Ellices, please accept our most heartfelt condolences for your loss. What we remembered whenever we thought of Dell, was that big, beautiful 'Fro' she had and the energy she expended doing the 'Penguin' at the NCO Club. We know there are no adequate words to ever express the pain you must feel at this time. But suffice it to say that she is now in a much better and peaceful place. You're in our prayers and we look forward to hearing from you when you're up to it.*

*All our love,
