“ *So much potential, taken too soon, lost to a love of life many of us do not and will never understand. A mind ever-working, a heart over-flowing, a friendship ever-lasting. A kind soul with an addicting laughter who intentionally harmed no one.*

We saw him often, loved him deeply, and will miss him always; let us together pray for his eternal salvation.

Oh my Jesus, forgive us our sins, save us from the fires of hell, especially those in most need of thy mercy. Amen.
