“ *Dearest Pat and Family, I am so sorry to hear about your beloved Mother. I was just told today that she had past away, no one at the home said anything to me. The other Sue Dirks was the one who informed me, I am so sad for you and your family Pat. I thought things had improved as of late. Dad is still hanging in there. He may be moved to the Reflection part of the hospital and I am not to happy about that . But there is nothing we can do they make the decisions as to where they are to be housed. Please Know that I am thinking about you and how well you cared for your Mom God Bless You My Friend Love Susan*
