“ *I remember her from our baseball playing days! She was an awesome coach and taught me so much but at the same time made playing fun. She had the greatest sense of humor and a contagious laugh. She will be greatly missed.*

“ *This wonderful lady was an influence in my life back when I was in High School in Iota. She became a person that I looked up to as someone I could talk to and she would give me wonderful advice. She was a friend to me. Although we lost contact many years ago, I never forgot those days.  
Michelle, I am so sorry for your loss. My prayers are with you and the Family. PEACE!*

“ Growing up in Evangeline I had the pleasure of spending much time in the old gym with Tee and Mr. Levy, two of my favorite people. They were most generous in providing the gym on weekends and some nights. Tee often played basketball with us a memory I always treasured. RIP old friend you will be missed.

Tee and Mr Levy were very special friends of our family. .We spent many Sunday afternoons together singing, playing moon. They played a huge part in our children's lives..... on the softball field, on the track field, in the gym. The world needs more mentors like them. RIP both of you, for I can't think of one without the other.
