“ My deepest condolences to Mr. Ardoin's family and friends. He and his family were so helpful to our family. Since my Dad could not drive and us children were too young to do so, Mr. Amos would drive to pick up my Dad sometimes during the night to give prescriptions that we needed. He had a most wonderful reputation in Jennings. We have missed him since his retirement. Many prayers for each of you!

“ *To the Family: Amos was a little ahead of me in school but I have known him since Lacassine High School. His dad, Mr. Me'Me', as we called him drove the school bus and had a little store. When Amos opened Ardoin's Drugs we were faithful customers. He was as good as a doctor in telling us what we probably had wrong (and when we needed to see a doctor). This space is too short for me to say all of the good things about him and Miss Jayne. Just know that your dad and mom were wonderful people. My prayers are with you all.*
