“ *Darrell, during the many years I knew Angie at OLHC I always wanted to be just like her. I couldn't believe I was fortunate enough to have her as a sister-in-law (and you for a brother-in-law) for 14 years. I was in her wedding; she was in mine. I remember when Dawne, Dean, and Darci were each born. Having Darci in Murphy's class was like her having a twin sister. I am so sad for all of you. Murphy and Lindsey cherish the many items she made for them over the years and we will remember her fondly. Love to you all, Lynne and Dave Remson*

“ *Cullen,*

I'm so sorry to hear of Angie's death. I remember her as being so very sweet. One of my favorite memories of her is when you and i stopped by her house while riding bikes in route to the interstate pond. She made homemade lemonade for us. I can still picture her in her country kitchen, wearing a cute apron and that beautiful smile of hers. It was the best. Mom was so happy to see you and speak to you. I will keep Angie, you, and your family in my prayers. Take care.

I will always remember her sweet smile and gentle nature. I know your memories will be a comfort once the pain lessens. Even though I lost my husband and one of my sons (this month) I still feel so blessed to have had them in my life. God bless you. Linda

“ Darrel, I am so sorry for your loss. Not having been round for all these years doesn't change the thoughts and memories of all our classmates. Angie was one of the kindest persons I can remember. Wish she could have had more years with the grandkids, but glad she was fortunate to have them and share life with. My thoughts and prayers are with you.

“ To the Landry and Hebert Families. I know I have been away for a long time but Angela and the Heberts were an important part of my early life. Our families were very close at that time and I love you all as though you were family. Angela was my first friend in life and I will miss her. She grew up in a loving home and went on to create one of her own. The world was a better place with her in it and will be lesser without her. She was and is a beautiful spirit and I know she will be missed by everyone whose life she touched. She was taken from this world too soon. God bless all of her family. Carlton
