“ Angie was my bestie when we worked together at the SOWELA Lake Charles campus. She and I were called "Big and Little." When people saw us on campus walking together I was 6ft.2 and she was just over 5ft and that's why they called those nicknames. Angie was the sweetest person and the best coworker. Our cubicles were right next to each others. When I started working at SOWELA back in 2012, Angie had just moved to our campus from the Jennings campus and she and I became good friends. I'm devastated that she is gone. I'm going to miss her so very much. Rest peacefully my angel "Angie Lou." You fought a good fight now you can go home to the Lord. I hope to see you again someday. To the family of this remarkable lady, I pray that you find the strength to carry on in this most difficulty time.
