“ Robert, Earline And Family, We are so sorry to hear this. Aunt Jean called me. I am sorry we will not be able to be there but please know our Prayers are with all of you. We are glad we got to meet Ashley and hear her beautiful voice sing when we went with Dad to your house just before he passed. Such a beautiful young lady. Patsy said to be sure and tell you she is sorry and sends her love. We do not know why God calls our kids before us but He has a reason. I can only imagine the pain all of you that loved her so much are going through. She is no longer in pain and now has her angel wings, try to know she is at Peace and we will all meet her in Heaven someday. Again all of your family down here are praying for all of you. I love you brother. Hilda,Patsy n Families

My prayers for Ashley's family. She was a student of mine in Kindergarten and I remember her as one of the kindest, and best behaved children I taught. She had the sweetest smile and considerate heart. We have lost a very special young lady!!!

“ Ashley was a gift from God from the beginning... she was beautiful inside and out and always had a smile on her beautiful little face. She had what it took to be a nurse she had the compassion for helping others , and was such a blessing to people she came in contact with. She cared and she made such an impact on people lives . She is truly an inspiration she was heaven sent with a strong faith and one heck of a fight and never let her illness stop her from doing what she loved! She will be greatly missed and I'm very grateful to have been able to meet and know such an amazing young lady!!!! Praying for gods comfort for the family Ashley served her purpose and she served it well!!
