“ *It was a pleasure to work with Ms B. Lewis. Even though I only knew Ms. B. for four years, her words of wisdom and encouragement will never be forgotten. Her dedication to students and Johnson Elementary was demonstrated by her daily sacrifice of traveling. Her smile will never fade from my memory. I'll treasure my last visit with Ms. B. as we cheered on LSU victory against Georgia. Rest in peace, Ms. B.*

“ *To Barbara's Family: I was so sorry and sad to hear about your loss. I worked with Barbara for the last two years. I would stop by her classroom almost every morning to visit, chat, and share ideas. I once admired her school shirt, she went out and bought me two like hers. I visited with her about three weeks ago at the hospital. She will be missed, but there are so many good memories and she is at peace.*

“ To the family of Ms. Barbara Lewis. It was truly a pleasure to work with Ms. Lewis. We shared many laughs in our hallway passings. Ms. Lewis was a wonderful teacher and will truly be missed. My heart is deeply saddened by the news of her passing. I do know that she is in a better place in the arms of Jesus. I will miss you Ms. Lewis, but my memories will never fade.

“ To the family of Ms. B. Lewis, Memories are priceless possessions that time can never destroy. For it is in happy remembrance that the heart finds its greatest joy. Even though I only knew Ms. Lewis for a short time, I carry many good memories of our fun conversations just right outside of our classrooms each day, her smile and our inside jokes! I will keep you all in my prayers so that you all can have continued faith in the Lord during this time.

“ Ms. Lewis was a dear and precious teacher at our school. She cared deeply for the second and third grade students she taught. Her loyalty and devotion as an excellent educator will long be remembered. She taught well, smiled often and encouraged many. Her role model determination was admired by parents as well as school-wide personnel. We admired her sacrifice of traveling to Lake Charles for so many years to teach the students she loved so well. We appreciated Barbara Lewis, a dedicated and caring educator.
