“ *I am so happy we reconnected a few years ago and have had such wonderful phone chats, as recently as January 5, when my last words to her were " Love You". The last few trips down to LA I picked her up on my way to the Istre Cemetery. It seems strange that on my next trip I will visit her there. :-)*

*I will miss our friendship and our shared family memories.*

*Until we meet again, RIP cousin! Your work on earth is done.*
