“ A MOTHER'S LOVE....

*A mother's love is something that no one can explain. It is made of deep devotion, and of sacrifice and pain.*

*It is endless and unselfish and enduring come what may. For nothing can destroy it, or take that love away.*

*It is patient and forgiving, when all others are forsaking, it believes beyond believing, when the world around condemns. And it glows with all the beauty, of the rarest, brightest gems. It is far beyond defining, it defies all explanations, and it still remains a secret, like the mysteries of creation.*

*A magnificent miracle cannot understand, and another wondrous evidence of God's tender guiding hand.*

*I MISS YOU MOM.....KELLY*
