### Betty Adams Chapman

Jennings: It's with great sadness and heavy hearts that the family of Betty Adams Chapman announces her passing from this life on May 6, 2019 at the age of 80. Betty was born in Leesville, LA to Alvin Gordy and Evelyn Bolton on February 3, 1939, she was their only daughter. Betty worked for the Council on Aging as an Assistant Director. She was a woman of faith, she could be seen in the pews of the First Church of Christ every Sunday, dressed to the nines and beautifully made up. Betty was an excellent cook and baker, and hosted Sunday family dinners for many years. Her sweet tea was second to none. Betty cherished the time she was able to spend with all of her family, especially her grandchildren. She was loved by many and will be greatly missed by all who had the pleasure of knowing her, but the legacy of her kind spirit and warm smile will live on through her children and grandchildren.

Betty was a devoted and loving mother to her two daughters, Rhonda Stinson Smith (Brian) of Jennings, LA, Jackie Stinson Harris (John) of Houston, TX, and a beloved grandmother to her two grandchildren, Kimberly Smith (Leslie Trahan) of Lafayette, LA, Kailey Harris Graybill (Bryce) of Houston, TX.

Betty was preceded in death by her parents, Alvin and Evelyn Gordy; her beloved husband of 25 years, Bill Chapman.

“ Time and distance kept us apart these past years but, I loved this lady and we had such great times working together and as friends. During a time of grief she and her husband Bill were such support. She was a true and faithful servant to her Lord. Betty's Sunday dinners for family were legendary! She had the most giving heart. She drove me to doctor's appointments, made sure I had food and care during a time I was laid up from surgery. So much I could say. My heart is broken. Prayers that all of you will know the Peace of Jesus as you travel this path of loss of a great sorrow.

“ *There is not a memory that I have of your mom that we weren't laughing! Such a giving, sweet, loving person who had the patience to try to help me through Home Ec sewing class. I can still remember how she tried to hide that she wanted to burst out laughing from my "turned out" product. Loved her so much...*
