“ *I have so many wonderful memories of your Mom. One of my favorites was a trip we made to Abilene when I was still a teenager. Your folks were chaperones and I saw a "young fun" side to them as they cut up with us while sharing God's love for us. I seldom saw either of them without a smile in all the years I knew them. Miss Betty was always loving and hospitable going out of her way to make people feel welcome, not only in her home, but everywhere she was.*

“ My Aunt Betty was the nicest Aunt. She opened her home every year for a big family Christmas party. She always had a smile on her face. Everyone felt that they could just make themselves at home. It was always a great time. I will miss my Aunt but know that God has just received a great daughter.

She was a wonderful hospital volunteer and the two of you together were a great team. May God comfort you and give you peace as you remember the good times.*
