“ I am so saddened to learn of Brandon's passing. He has been a part of my life for as long as I can remember and growing up in a small town like Jennings, friends are just an extension of your family. That is how I remember Brandon. He spent alot of time with my brother Ricky and I know that Rick is there to welcome Brandon home. My thoughts and prayers are with you all at this difficult time and I will continue to pray for God's peace and guidance in your time of grief.
