“ My sweet, happy sister - always, even in the end. She said 2024 was going to make her a new woman. I know God is in control and we are not to question but it is soooo hard. I am the oldest of 7, she was in the middle, and I keep thinking this cannot be true, I am suppose to go before her - but I know that was not God's plan. Heaven received a special angel yesterday morning and she touched many, many people. I have gotten to spend some quality time with her in the past 3 weeks while she stayed with Paul and Sherry. Please pray for peace and comfort for her son, Paul and the rest of the family. I love you Carol, rest in peace!
