(And also to the rest of the family) Byron was an amazing and one of a kind person who will always be truly missed. Even though he is not here with us today, he is in Heaven and he is smiling and watching over all of us. I am so truly sorry I did not make it to the funeral but please believe I am thinking about him and always will. RIP Byron!*

“ Me and Byron were running around cutting up as usual and we went to my house to go grab a bite to eat well we had been drinking so my mother decided to steal my keys to my truck. Byron and I left and came back a couple hours later and snuck in the house and grabbed the keys while she was sleeping and stole my truck back. I never thought i would sreal a car much less one that I owned but that night Byron helped me steal my own truck back. As we were leaving my mom was at the front door yelling and cussing, you pretty much can imagine what she was saying. That was the funniest nights and most fun I've ever had with byron , love you brudda, see you on the other side

“ Sending prayers to y'all family in this difficult time. Got to know Bryon about 2 years ago, I would cut his hair in L.C. I'm from Kaplan and was so heartbroken to hear this. Just want y'all to know, the time I got to know him he was a very nice person. Glad I got to have share some memories and our paths crossed. Hope he's at peace. So sorry for y'all loss and y'all are in my thoughts and prayers.
