“ I am so sorry to hear of Mr. Broussard's passing. I will always remember him as a good employer. He wasn't into a lot of the frills that most people become burden with. Comet and bleach.... I can testify that his place of bussines was clean enough to eat off the floor. No one would ever have to worry about cleanliness in his establishment. He made the best doughnuts I have yet to see matched. He taught me how to make doughnuts and I will always remember his kindness towards me. Lifting up his family in prayer.
