“ I want to say to my family that I will miss Calvin very much! I wasn't able to attend his funeral due to my eye condition and transportation there. I loved him very much and will always remember his smile. He was always happy, or appeared to be happy even if he had problems or wasn't feeling well. Every time I saw him, he had his beautiful smile to greet me. He was a good father to his children and a man who loved his wife since the day they were joined as one. He will be missed by all who knew him!
