“ Where do I begin.....the absolute best neighbor we could have asked for moving back to Lake Arthur a few years ago. My kids grew to love and cherish her and Mr. Lloyd. She was Xacharie friend and he would always go visit. And of course he always came back with some treat. Even after we moved we stayed in contact. She was always telling me and Harold how she missed us. Man I will always cherish Mrs. Carolyn not just as a neighbor but as a woman of God. Always stayed prayed up. I spoke with her briefly in November and she informed me of an incident she had with that darn hip. You are no longer in any pain fly high and always look below and keep watching over your family. We will miss and love you forever.
