“ I can still remember the first time I meet you all those years ago you were so little but so full of life. Always ready to go on an adventure. I'm a hard time believing that you are gone your care carefree self always loving always giving. And I will always remember the time you convinced Lil Victor to ride to bicycle with his eyes closed. I'm going to miss you Cass. Love you Aunt Kris

Cassy, I know you are soaring high with the Angels.... you will be missed so very much. It's so hard to think you will never come knocking on Darlene's door and sitting indian style on the fireplace having our "talks". You made us all laugh and we loved you. Rest peacefully Cass and look over your family...
