“ *My dad was the kindest, gentlest and honest person I have ever known. His family and his faith were always the two things that filled his heart. He had a purity and innocence about him that I have never known in anyone else. He adopted me at 3 yrs old, when he and my mother married. He always loved us unconditionally. My dad is probably the best person to have ever entered my life...as it was a blessing for me to be a part of his~ Lisa Portie*
