There are no words for this loss. I'm remembering when all of y'all fellows would come and stay to Mom's house with Chris and Chance. Sometimes we'd have a floor full of little boys but it was so much fun. I remember your little blue and white sailor suit that you took your first picture in. When Chance was born, your Momo gave it to Chance. We shared everything for you kids. Now, there is gonna be a hollow hole without you here. You are in God's Hands now. No more strife or anything. You are at peace from this wicked, old world. Take your rest love. We'll meet one day again on the other side. Love you baby. Rest in Gods Loving Arms!!!!
