“ *Chelsey was on of the most respectful sweetest young girls I have ever had the pleasure of working with. Though she only was at the VA for a very short time she made everlasting impressions on my heart. I will always remember her intoxicating laugh as well as her beautiful smile. I miss her soooo much. Work will never be the same for me again*

“ I love you chel. It almost seems like yesterday we were all kids running around the farm and playing dress up and just growing up together like siblings. I just cannot imagine living in a world where i cant ever see you again. This is the most heartbreaking news I've ever gotten. Rest easy and please watch over us all down here.
