“ *Our deepest sympathy for the loss of Cheryl. We were friends and
grew up together. She was my Nephew Mike Dugas's Godmother.
He wanted the family to know he is in the gulf working. He sends his
love and prayers to the family along with my Mother Iona, Sister Pat
and Brother David. She was a joy to be around and we are so much
better for having know her. She will be greatly missed.*

“ My sincere condolences to Cheryl's family and loved ones. It saddens me to learn that another of my classmates has died. I know just how caring an individual Cheryl was. She touched many lives and brought love and joy to those she encountered. I have met many of her patients and all of them said she made them feel special. We were all blessed to have her as part of our lives. My thoughts and prayers are with all of you.

“ I had the priveledge of meeting Cheryl only six months ago. She was a wonderful woman and an excellent nurse. It was a pleasure to have her in our presence and work at our facility as an RN Supervisor at SOUTHWEST LA. WAR VETERANS HOME. The Veterans and staff loved her dearly. All welcomed her as part of our family. Her wonderful personality and great sense of humor was great for the Veterans and all staff. She had become part of our family at SWLWVH in the short period of time GOD gave us with her. She is already greatly missed by everyone of us. God Bless to all of her family. Our prayers are with you.
