“ *My thoughts and prayers with all Mr. Chet's family. We at Burger
King will miss his smile and comments. When we would see him at
the counter ordering his food we new he was going to have a
conversation with me! Asking about the college boy (my son)how he
was doing? Then he say a lil about his days he had working
offshore and talked about his family! We didn't have long
conversation because he come during lunch so time was limited.
We will miss him!*
