“ *Cathy ,*

I'd like for you to know that the 2 flags under the light blue table on my front porch are for Annette and for Christi. Two people in my life in which I never thought a thing like this would ever happen to. I have not known Christi all that long but whenever she'd stop over to chill out from the heat or to see what was up a few times she always brought a warm sense of being with her and we always would have a encouraging conversation. Her and my fiance Annette passed away 1year apart, both in the same manner and both bc of the same thing. This week has been tough on me. My heart has been busted wide open all week long over her and Annette . Those 2 flags will remain where they are on my front porch untill I myself am no longer here on this Earth. Much Love and Peace to you and yours, Q as well.
