“ *Uncle Chris with all the miscommunication and the fact that I'm 1000 miles away I don't think I'll be able to pay you the proper respect that you deserve 😞 But that doesn't change the fact that you will forever have a place in my heart 💔 Until we meet again I will love and carry your memory with me always and forever! Rest easy and know that you will never be forgotten !*

“ *Chris was always pulling up to the house. Always had a grin on his face. Chad had planted all of these oak trees in the yard and Chris ran right over one and it was bent under the car. Chad picked on Chris about that forever. The tree is big now but I always see the look on Chris' face sitting in that car when I look at that tree. RIP Chris.*
