“ i love you dadyyy..
he was the greatest dad..
yes times was hardd..
but i miss him and i want him..
he has blast this world with two beautiful boys..
and two beautiful girls..
it was a shock to everyone but thats life..
it was time for him to go in gods eyes.
so he went.
even if he didnt go how he did..
he still would have went..
maybe in a car accident..
maybe because of something else..
he still would have went..
god still would have took himm..
so we still blast with the 32 years we got with him..
I LOVE YOU DADYY

“ Tony, Christine, Cody and Rusty I want you to know how truly sorry I am for your loss of your precious Clint. I remember Clint when he was just a little thing so precious and adorable. I haven't known or seen him in his adult years, but looking at his picture he still had those piercing blue eyes. I am not able to go to the funeral home but I do want you to know that my thoughts and prayers for all of you will be pouring out. I've always loved your family and will always be thinking about you. I pray for hearts to be comforted.
