“ *Teffany and family, Please know you are in my thoughts and prayers at this difficult time. I lost my mother in 2013 to cancer and there are no words at this time that can take the pain away, but please know that with time the emptiness begins to fill with the loving memories you shared and her love and presence is always with YOU. I am here for you if you need, love you. Tara Broussard-Baker*

“ *Nicole, your Mom was absolutely one of the sweetest people I knew. I was remembering back to the Jazzer days when I first got to know her. Always a smile, always kindness in her eyes. We had become FB messenger friends, encouraging each other from time to time. I am praying for you, your Dad, sister, and Garret. The weeks and months ahead will be hard, but know that many prayers are being said for strength and peace in your hearts. God bless you all, God bless Connie! I love you!*
