“ *Condolences to all loved ones during these difficult days. Losing a beloved one causes much pain and grief. May the comforting words recorded at Isaiah 25:8 where we are assured that God will swallow up death forever and wipe tears from all faces be a source of comfort.*

“ *I had the pleasure of working with her years ago. I kept in touch recently on facebook, & was overjoyed that she made Jesus the Lord of her life. We planned to have lunch one day soon.....and we didnt get the chance. I regret this so much, I didn't get to say goodbye.....fly high Sweet Girl!*

I am in disbelief. We were the best of friends and inseparable in Nashville. I will never forget the day you came to Lexington Kentucky to find me. I have pictures and pictures of us together and will never forget the moments god made sure we got to share together. Gone way to soon, will never be forgotten. Fly high babe. We will still separate our birthday together. Xoxo
