“ *My mom, Freda Burdette Wikoff, lived with Cumale in Orange County, CA, in the 60s. She would always talk about the "Cajun Girl" who had a fiery spirit. Cumale was there when my parents met-how cool!!!*

*My mom and I are headed to Lafayette for a soccer tournament this summer, and we were hoping to see her.*

*We are very sorry for your loss. My mom always thought fondly of her.*

“ Jozette and Jodi I grew up in the neighbor hood just down the road  
from your mom. Just a few days ago she was out on the porch and  
was admiring my young children. Sorry for your lost and our prayers  
are with you and your family. From the Gotte family of Floyd and

“ Jody and Josette, I am so sorry for the loss of your Mom. She and I  
grew up and went to school together.. The best memory I have of  
her (among many) was when we were in elementary school and she  
would want me to go to her house. We had to go and watch "Queen  
for a Day" before we could do anything else. I have so many good  
memories of her. I know she is not suffering any more and in  
heaven with your Dad. She was truly a friend to many and many will  
remember her for just being KIM

“ Jodi and family, very sorry to hear of your lost. My prayers and thoughts are with all of you, to loose a mom is so hurtful, I'm been through this myself. She looks as though she was a very intelligent, bright, and full of life person with lots of love to share. Heaven has gained another ANGEL that will be praying all the time for her family her on earth
