“ I'm very sad to see ,I missed Daltons passing. Knew him as a very hard ,smart worker, and spent many hours with him in the 90's on small workovers ,he gambled for the job I had at the time and I feel sure he rest now with Our Father.Peace be with him and his loved ones.He now takes care of many whom have gone before him,as thats the "Hoss" I knew .B Daigle.I,ve just lost my wife and know the deep sadness ! he always found time to talk when we crossed each other,so it hit me hard to have to catch up belated!
