“ My condolences to all the family. My whole life Dusty Doucet was a part of it. Remember when we were real young. Remember when we were in our late teens. Remember his party before and after he went in the Air Force. Remember when he became a COP. I remember when we got old share a cigarette and coffee outside of Bourbon street. Going to miss you friend. You were loyal and you held your integrity in high regards. Mostly you were a kind gentle soul.
