“ Dearest Debra and family. I am deeply saddened by the passing of my old friend, Wayne. Although we were classmates at Iota High, my fondest memories of 'Wally' were during our gigs with 'Blue Essence', especially at the Red Rose in Lake Arthur all those years ago. He was always fun to be around, but more importantly, one of the kindest guys I ever knew. My condolences go out to you all. Give special thoughts to his parents for me. All are in my prayers.

“ To the Dupre family: Please accept our deepest condolences on the loss of Wayne.... We met several times at the Isle Of Capri when I played keyboards with The TRAMPS. We were introduced by his cousin Paul & Bertha Leger. We'd talk during break. As both being musicians, we did the musicians talk when listening to the other bands performing there. Our prayers go out to the family during these trying times.
