“ To Daphne's family: I had the privilege of calling Daphne a friend in high school. She was a beautiful person both inside and out with so much love to give. It is not surprising to me that she was cherished in life by her husband, children and even grandchildren. Only God knows why she was taken to be with Him at so young an age; although she will be missed terribly, all who love know that she has made a difference in so many lives and that their lives have been blessed simply because she has been in it. May God be with you at this difficult time.

“ To the Oubre Family, I'm so sorry for your lose. To Danny, this is Liz, I spent the night before I moved out of Morgan City with you guys. I've been trying to find ya'll since I've been back (2003). I loved Daphne for her laugh, love of life...and even though I haven't seen her in years, she's been in my thought and prayers ever since I left and returned to MC. My heart goes out to you Danny and your family! I wish I could be there for the services, I'm not sure yet! You will all be in my prayers and if you want to get in touch with me, please email me. Daphne...you were my best friend and I will never forget you. You always made me smile..no matter the situation and I even though I haven't seen you in years, I will miss you terribly. I love you Daphne...all ways have and always will.! Be with God!
