“ *Mr. Ray and my Dad took me and my brothers on our first duck hunting and shrimping trips. Simple and fun times in our early years, as our parents struggled to provide for us and care for us. Always ensuring we were taken care of and shown the ways of life that make living in SW Louisiana unique. I got my start in the technology field via the radio club Mr. Ray and my Dad belonged to. Mr. Ray was always willing to help out and was a funny guy, joking all the time.*
