“ *Deanna was one of the most beautiful souls one could ever have the honor of knowing. She was always kind and she was wise in the ways of the human heart. Her smile spoke of her love without her having to utter a word. She was gentle and sweet. Though she struggled to get by, she would still share whatever she had if she thought you needed it more than she did. She suffered with her health, but took it in stride and seldom complained. Her laughter was contagious and her sense of humor would leave you in stitches. There's no doubt that she was an angel on Earth and no doubt that she is one of the most radiant angels in Heaven.*
