“ *I'm sorry to hear about your loss. Scotty, losing a sibling is VERY difficult. You helped me more than you know when I went thru my loss. I've never forgotten. Michael & Pam, i remember yall being there and just know that as time may heal, always remember the good things about her and be grateful for the time you were able to share with her. Although it was a long time ago I remember talking to her and I always remembered her smile. GOD bless the entire family!*
