“ *My prayers and thoughts are with you Charlene, Angela, Paula, Debbie, Donna, Mike, Janie and Tom as you go through this sad time in your lives. I know Dewey loved all of you. And all of Dewey's grandchildren who held such a special place in his heart. And Shirley, I know you lost a good friend and a good partner who loved you dearly and I share in your sadness. Dewey was a wonderful person who had the greatest gift of making people laugh even when they didn't feel like it. He was a special addition to our family who leaves us with many, many wonderful memories yet the sad thought of his not being around anymore. I am so sorry I could not make it home but my thoughts and prayers go out to each of you and I share in your sadness.*

“ *My prayers are with you all, and your families during this time of grief. The old farts golf association will not be the same without him, he always seemed to have something funny to say about one of us. We will truly miss him, but will cherish the memories we enjoyed together...*

“ Dear Charlene, Angie and Paula, thank you so much for sharing your Dad with us. He means the world to us and was ALWAYS someone we could count on. He was so proud of you girls and loved you all so much. Our hearts are broken and I can't express in words how much we will miss him. Pop, I love you more than you will ever know.

“ Being so far away is really hard. I am going to miss hearing his wise cracks and always wanting to team up with Mom to beat Dad at golf. He was a very special part of our lives and made every day sweeter just for knowing him. Please know that we Love you all and will always Love Uncle Dewey with every breath we take. What a precious gift God gave to us. My deepest condolences to all of you.

“ I only knew "naunk" Dewey for a few short years, but he had a way of making me laugh every time we met. I don't think "naunk" ever met a stranger! He will be sorely missed by everyone who was ever lucky enough to cross paths with him. Thoughts and prayers are with family...
