“ *I will never forget Disabry. He was my first coach ever and a good one. He coached Little League (the Cubs) in Gueydan in the early 1960s and taught me a lot about baseball. He was always very nice to his players and loved sports. Lately, I played Blackjack with him at the Coughatta Casino in Kinder and how we talked about Little League and high school basketball when I played for Gueydan. I will miss him immensely. Another of the old, good guys that have left us all too soon.*
