“ So sorry for your families loss. Mr. Don was a great man who sure knew how to bring a smile to people. He was a dear friend to my father, Donald and to my mom Pat. He loved to fly his airplanes with my Dad. As a young child I have many memories of fun times of being around him. He loved to pick, dance and just had a great personality. I was sad to see this news. I will keep all of you in my prayers. 🙏

“ Don was like a father to me. Back in 1973 he was my mentor when we were selling Woodman of the World life insurance. Don told me something one day that I still practice and use everyday. "Don't you ever think about money when you are presenting insurance to a client. You do what is best for that client. If you lose them as a client later as least you know you did the best you could and you can sleep well at night." I never forgot that and advice has served me well in life. I loved that man and will miss him.
