“ *You will always be Miss Courville to me. Thank you for sharing yourself and your family with me, especially Sandy. Most of the beauty in my life relates to that day in 1972 when Sandy and I were married. As we would say, you were on " cloud nine " for most of that day. I still remember the live George Jones/ Tammy Wynette concert that we shared together. We will all miss you, but are thankful that you are finally at peace with your " Sweet Jesus ". May you rest in peace in the arms of your savior; we will meet again.*

The only reason I wasn't at the funeral is because, like always, while y'all may have included my name (Keisha) in the obituary, everyone forgot I actually existed, so no one actually told me she died.
