“ Drey left an imprint on anyone who knew and had the chance to meet him. He will be remembered for so many things like always helping and being there for anyone who needed, for replacing the biggest of frowns with even greater smiles, and for also being loyal to anyone close to him, above of all his family. That's just to name a few. Drey was looked up to and admired by many but more so by his younger brother and sister for being the older brother and role model any kid would hope to have. Drey was respected by his peers and elders. It's hard to believe he's no longer here with us physically but he will forever be here in our hearts and our memories. To say that you are missed Drey is a huge understatement but you are still and will forever be with us. Fly high Drey, until we see you again.
