“ *Dear Lorraine and family,
My memories are of our visits to first meet all of you and then to become a part of the family. I know the feelings you have right now and I pray that the Lord gives you all the strength and wisdom to know that we will all meet again one day. For Shing and Curly that day has come and I can see them laughing now and the joy on their faces. May each day soften the grief for you all and know there is no greater joy than family in times of suffering.*

Lamentations 3:22-23

Because of the Lord's great love we are not consumed, for his compassions never fail. They are new every morning; great is your faithfulness.

Love to you all

“ HE was not a perfect man but, HE was a good man. HE will always be remembered in my heart with great pride. Everything he was and did was with great pride and whole heartedly. In any case, positive or negative. In his loyalty and love for my mother "Irene" and God mother "Nanny Lorraine" alone taught me a great deal about life. They suffered and shared alot in life as children and adults. He was there for me along with my Nanny when I was a child and needed a father .. HE stood in my defense for me and my mother. HE was my second LION after Jesus. NEVER forgotten and always in my heart. I thank God 4 what he has taught me this past week and most of all 4 my Nanny and my 2 of my most favorite people in the world my cousins "PAM and JIMMY" SENDING YOU MY LOVE AND SUPPORT ALWAYS!

“ Nanny, Pam, and Jimmy,
Ya'll know how deep the death of Uncle Shing is felt. I remember some good memories, we worked together, laughed ,cried, prayed, and had lots of good times. To me he was a very smart man and he taught me alot of things, He had a very big heart and wasn't afraid to show it and shared his love and thoughts. We will miss him. If ya'll need anything, we are here and will help anytime ya'll need. All our love goes out to ya'll,
