“ *I can remember going visit her when I was so young. She actually taught me to put ice in a cup before water to make it colder. Such small actions make the best memories.*

“ Please accept my condolences online Russell & Shirley Ann. I just had a back procedure this morning, Monday. I am to stay still for 48 hours. But I am praying for Taunt Edith, both Darryl & I loved her so much. Cassie sends her regrets that she could not be here for her Nannys funeral but she is up in San Antonio, Texas & cannot drive here alone. My boys are at work & they send their sorrow to you all. She was such a jolly lady & the one thing that I will always remember about her is her laugh. We are all praying for ya'lls loss. Love you all Always, Liz & Family (The Potiers)
