“ *I can only verify Peggy's words. She was an exceptional person to everybody who knew her. I am priviledged to have had her as my aunt.*

“ *Aunt Edna was a beautiful person, inside & out. She was what the word "mother" truly meant. I keep thinking of so many beautiful words to describe her. I know that she loved all of you so much. You could always tell that when talking to her. Her family meant so much to her & hopefully we were included in what she thought of as her family. I know that all of you have so many wonderful memories of her. I am conforted by the knowledge that she is now with so many of my relatives up in heaven, including Mama, who always thought of her as a sister. Love to all of you, Peggy*

“ *The Angels have come down and swept up this wonderful soul to reunite her with her loved ones and her Lord. I know that there is pain in your loss. My prayers are with all of you, Aunt Boone, Donna, Buck and the rest of the family. She was truly a wonderful, precious person!*
