“ *Just wanted to express our deepest sympathies to the family, and to say that Ed was one of my favorite work associates. He and I worked together for over a year, just he and I on a Liftboat for Otis Engineering back in the late 1960's or early 1970's. I wanted to keep us together, because he was such a good cook. Also, he had such a gentile nature about himself that you couldn't get mad at him!! I got to see him about a year ago at Don's car wash in Lake Charles. Again, A Great Guy!!! He will be sorely missed!!

“ *Ed was a good friend and co-worker back in the 70's. I haven't seen him for a long time but he was one of those people you meet and never forget. Rest in Peace Ed*

“ Ed, "T-Dupe", was one of the first people I met on my first trip offshore out of Cameron back in the summer of 1971. Ed's affable outgoing style made him very easy to like. We became friends and worked and partied together until I transferred away in 1976. The tables in Heaven will now be treated to the best gumbo I have ever had. Ed stories could fill several books. One day Ed had come over the the apartment I shared with John Noble in Lake Charles and was preparing to cook-up a gumbo for a party we were having and asked in his heavy but beautiful Cajun accent if we had a "tin" pan. I said no but I would get one as I was going to the store. Upon my return I handed Ed a tin pan and he just laughed and smiled holding up a hand to show me with two fingers that he meant a "thin" pan. Ed was truly a great friend and man of his word that you could count on. Rest in peace old friend.
