“ *I will always remember Ms. Toot sitting in the foyer of the nursing home. I would sometimes kiss her on the cheek and she'd kiss me on the cheek. And when she didn't want to she would say "No" in quiet voice. She made me smile every day. I will miss her.*

My thoughts and prayers are with the family and friends of this dear lady.

“ *I so enjoyed having Ms. Toot come to our singalongs on Wednesday. She knew all of the words to all of the old hymns and would sing those with us. She also enjoyed French music so I would play the song "Jump Frog" for her and one of the residents would sing it with her. We will certainly miss her but know that she is with our Savior now.*
