“ I was invited to Dickie’s house years ago for a classic Rohls/Lavergne family reunion, and oh what a mess she was. Being single myself she decided that one of her single sons would be perfect for me. Took a lot of explaining and laughs to get through that I wasn’t husband hunting. Thoroughly enjoyed her wit and humor on several other occasions. Lous Manena

“ Meta and David, Though I did not know your mother I do understand the pain of loosing her. I remember when I visited your home, Meta ,in Louisiana with Vic and my children as we were moving from California back to the Washington DC area, we stopped long enough to visit and have jumbo that your mom had made and brought to your house. It was delicious and I don’t think I’ve had jumbo as good as her’s since. My condolences to you and your siblings for your loss just remember how blessed you were to have her for 96 years..... Blessings!

“ To Dickie and family,
I met your Mother once at Dickie's house for a gathering he had not long after he had moved to Bundicks. She was a character. My thoughts and prayers go out to all of you during this time of loss. May God give you strength.
