“ *I met Eric in November 2021 at our lowest. We spent that journey together along with others, and became like a family for a short period of time. I witnessed him come to know Jesus Christ and was blessed to see him just blossom into recovery. He motivated me and kept checking on me, even when he didn't have to. He was so excited about life and his children. I'm sad he left so soon but I'm so happy he left this world living his best life. I'll miss his calls and texts because he sure did make sure to check up on people, which is a lost art now. I know he is at peace, even tho he had found it on earth. He will forever be an inspiration to me.*
